RE: Statement of Accuracy of English Translation

NOTES/COMMENTS:

Dear Sir,

Please find attached the translation of Japanese Patent Application No. 2002-325895 (which is the priority document for the instant application) as well as an executed Statement of Accuracy of English Translation to certify that the translation accurately reflects the disclosure in JP 2002-325895. The translation of Japanese Patent Application No. 2002-325895 is the same document that was filed with the USPTO as the original application on May 4, 2005. The Applicants respectfully submit that the translation and the Statement satisfy the Examiner's recommendations, and that, as the Examiner has recognized, PCT Publication No. WO 2002/092693 is no longer available as prior art to the instant application.

Respectfully Submitted,

Christopher S. Andrzejak
